From the Board of Revenue, Land Revenue and Settlement. R/c 4249, dated 17th October 1923.

*****

ORDER.

In view of the unprecedented nature of the calamity, the Government are pleased to allow remission of assessment in the South Kanara district under paragraph 4 of Standing Order 14 - during the current fasli as a special case.

2. The following proposals of the Collector are approved:-

(i) to allow no remission in the case of 'patla' and first class wet lands unless they come under the terms of clause (iii) of this paragraph

(ii) to allow remission in respect of 'mogaru' lands which have lost their only crop owing to floods;

(iii) to allow remission in the case of lands of any of the classes mentioned above which have been rendered totally unfit for any kind of cultivation during the fasli owing to the deposit of sand or silt, provided that to be entitled to remission the area so rendered unfit is not less than one acre in each survey field or recognised sub-division.

Where however a recognised sub-division measures less than one acre, remission may be granted on the entire sub-division irrespective of the extent affected.

3. As regards the proposed relaxation of the rule in paragraph 10(iii) of Standing Order 14, the Government would leave it to the Collector's discretion to decide, with reference to the circumstances of each case, whether the rest of the pattadars' holdings should be taken into consideration before granting remission in respect of the area affected.

4. The Collector should be instructed to submit for the orders of Government a statement showing the amount which he proposed to remit in the light of the instructions in paragraphs 2 and 3 above.

5. The Government lay considerable stress on the need for careful inspection on the spot by responsible officers before remission is granted on each individual case.

(By Order of the Governor in Council)

E.W. Legh,
Secretary to Government.

To The Board of Revenue, Land Revenue and Settlement.
